Following Lynne's studies at Durham University she had a highly successful teaching practice, first in Yorkshire and then in Lancashire. She now runs a thriving woodwind repair business in Garstang, and plays for many local orchestras.

Together, Lynne and Rob established the publishing company Forton Music in 2008 specialising in music for woodwind instruments in all combinations. They are both published composers, with their compositions and publications appearing on several exam syllabi.

As the Dunelm Duo, Lynne and Rob have been performing together since their university days, with concerts, weddings, celebrations events and recording sessions under their belts.
